NOVEMBER 2024

Asalaam alaikum Wa Rahmatullahi Wa Barakatuhu

Subhanallah! we are already at the end of Trimester1. It has been an engaging and productive trimester, Alhumdulillah. We want to request that parents support their children with setting aside consistent study time which will help alleviate stress for students during their quizzes and exams.

Bake Sale - Cultural Day

We are thrilled to announce another opportunity for all parents to engage in our school expansion project that will significantly impact the future of our school community. This initiative is not merely a fundraising effort; it represents a chance to contribute to the expansion of our educational facilities and to leave a lasting legacy for generations to come.

We have started a **GoFundMe** page. This fund raising campaign is an opportunity to invest in the future of our children by expanding our facility and building new classrooms, and creating spaces where every child can grow, learn and succeed. By contributing you will be directly supporting the growth of our school and helping us build a brighter future together. <https://gofund.me/d9175a00>
